Dear Ladies of the Woman's Club of Winter Park, Inc.:

Our busy summer of travel, dodging thunder storms and finishing a few good books or binge watching a good PBS series will start winding down and we will once again gather in our beautiful, historic clubhouse to enjoy creative, interesting programs and friendship and fellowship around tea tables brimming with sandwiches, cookies and chats.

As we plan for our Member Tea on September 19, the traditional start to our new year, I find this time to be bittersweet as I reflect on the loss of two long time members to our Woman's Club. Kathleen Ihrig was among the first members that I met when I joined and her quiet, dignified and always friendly face will be missing from our gathering. New members will remember Kathleen always going out of her way to welcome new ladies.

Mary Ann Page, or, Winkie to all who met her, is another very recent loss. Growing up here in town, Winkie loved sharing her stories of old Winter Park. Her spunky style, her creativity and her zest for life will be remembered by many members. The loss of these two wonderful women makes me grateful for the camaraderie that we all shared with them.

Message from the Grounds Chair

It's the season for cleaning, trimming and adding color to our lovely WCWP grounds! Scout Landscape continues to do a great job.

We have started adding colorful perennials, a Shooting Star or Starburst shrub (*Clerodendrum*) and a few Foxtail fern, very Florida friendly plants. The urns by the Lyman entrance are brimming with colorful *Impatiens*; the Twelve Apostle Iris and *Angelonia* are starting their display for all to enjoy!

Wishing you a wonderful walk in the garden!

Jackie Byrd Thompson,
Grounds Chair

The Charitable Giving Committee thanks our wonderful club members that contributed to the Back-to-School drive at The Meadows with backpacks & school supplies.

We received so much support and are so happy to help children in need with their educational needs.

We appreciate you!
