Dear Ladies of The Woman's Club of Winter Park, Inc.

It's hard to believe that August is here. Your board and committee chairpersons have been very busy and are ready for a very exciting year!

The Woman's Club would like to begin a new program this year called "Member Outreach." Our Woman's Club is well known for our charitable giving in the community and now we see the need to look inward and see where we can assist or be more charitable with our membership. When I think of our members, I think of them not only as friends, but family.

You will find more information regarding this in this Highlight issue.

Judy Allen

Ladies,

Once again the Woman's Club of Winter Park will be participating in the "Pink Out" sponsored by the local American Cancer Society and Winter Park Hospital and the Wellness Center in Winter Park. Every year in October this amazing campaign is to bring about awareness in breast cancer and to honor those who are in treatment now, survivors and those who have lost the battle.

You may remember seeing all those graceful, lofty pink birds perched all throughout Winter Park, the W.P. Hospital and various properties. Well, for all you flamingo lovers, they will be back, including the 5K walk and many other activities. These adorable birds are just a \$10.00 donation for two flamingos. One you get to keep. The other will carry the name of whom you designate to honor. This one will be planted anywhere in Winter Park. Who knows?

In our past we have raised almost \$500.00 through generous donations from our members. This is a very worthwhile community-wide campaign. We are hoping that all of you will participate, even buy a flamingo and plant one in our garden here at the Woman's Club to show your support.

As information becomes available I will be sharing it with all of you.

Thanks so much,
Sue Luongo

Dear Members,

We are seeking information, to determine what needs exist within our membership, for our new Member Outreach program. Our Charitable Giving committee has excelled due to our member involvement. We want to make sure we are also looking within our membership to make sure the needs in the Club are taken care of as well. We hope to encourage our members to be a tight knit community and take care of one another.

With this goal in mind, we would love to know more about what needs you might have or what you might be willing to volunteer for, for your fellow members.

We look forward to hearing from you to help us create a program that will not only help our members but forge tighter bonds of friendship as well.

Thank you,

Member Outreach Committee
